Election...Please pray for our country's future and for our leaders to do God's will and to set more positive examples for others as multiple controversies surround us. Pray that voters will be accurately and honestly informed and will prayerfully make their decisions for the benefit of our country. Pray that we can retain and actively practice our religious freedom to worship in the Christian faith. Pray that Christian churches will fulfill their purposes as true witnesses for Christ and to be leaders in getting our country back on the right track. Pray that we will return to our founding principles and that we will once again return to Godly wisdom, morality and values. Pray that this critical election is conducted in an honest manner and that Christian citizens will do their civic duty and vote responsibly as God would want. Pray without ceasing that God's will be done.

FOOD BANK NEWS...IT'S THAT TIME AGAIN...the Holidays are quickly approaching! The Food Bank is gearing up for food basket season and needs your help. Many people have fallen on hard times and are trying to work their way through it. We are taking names of families in need from our congregation and the local area that could benefit from a little Christian love and support. If you know of anyone, please inform Corrie Wadel, Susie Brown, Marylue Durff or the church office asap. There are several other ways you can help:

TUMC Fall Harvest Worship Service – Sunday, November 13th...Pastor Harold and the Worship Team have planned Harvest Worship Services for 13 November. The TFB Committee will have a table set up in the Sanctuary for donations to be placed on between the 6th and the 13th. Our Committee members have challenged themselves to pick up one or two of these items each week when we are at the grocery store and hope that you will join us in this.

Trinity Food Bank would like to thank: The *Jacksonville Lions Club* for their partnership and willingness to support us this year! Check out Jacksonville Lions Club Facebook Page to see all the amazing things they are doing for our Community. Our church family & friends for your continued support of our Mission!
